“ I am so sorry to learn of Mr. Thompson's death. I wish I had read this earlier. I would have been there. I will never forget Mr. Thompson. I was stranded in the snow on top of the steep hill close to his house one Saturday night. Mr. Thompson came out in the snow and got my vehicle off the hill and drove it to a flat place close to the apartments on the left side of the road. I will always be grateful to him. You know it is sad to say there just aren't many people around like that any more. Rose Marie, I am so sorry for you and your family's lost. During this time of year it seems to me it is always worse. Of course it is bad anytime but worse around a holiday. or at least it was for me when I lost my Daddy right after Thanksgiving. If there is anything I can do for ya'll you know where I am and I would be glad to do anything. Will be praying for you and your family.
