“ Several years ago, Bro. Wiser held a gospel meeting at the Beattyville Church of Christ. On the last evening, my grandfather, Sam Watkins, shook his hand and said "This will probably be the last time we see each other." Bro. Wiser smiled and replied "No, Bro. Sam, we will see each other again on the other side." Bro. Wiser baptized my grandparents in the back waters of a flood many years ago. Their friendship had lasted thru the years and how wonderful to think it will continue in the presence of the Lord they both served so faithfully.

We are deeply saddened to hear of his passing. But so thankful for the life he lived and the influence he had on so many.
