“ Deana, I am very sorry to see this notice about your mom's death. She was so kind all the many times I talked to her at Limestone Health Facility when visiting my mother, Sara Lipham. “ I always loved your smile and the way you cared so much for others. Even though we are not blood related you'll always be remembered as my aunt Snookie. Have a peaceful journey, and say hi to uncle Jimmy.

“ She has earned her Heavenly Wings. May she fly in peace and happiness and pain free. I can remember when my sister would come to visit in Toledo the first thing she wanted to do was go shopping and then have coffee and donuts and when we went to visit her she made the best southern breakfast anyone could ask for. She may be gone but will never be forgotten and the memories we shared will live in my heart forever. Love you sis. Your baby sister Edna.
