“ Lynn was a very dear friend of mine. I am just learning of her passing. Years ago she had a little white pinto and she would come by and pick me up for work faithfully! The laughs we had were priceless. The memories we shared as being best friends I will share forever!

“ I remember playing with Lynn at Grandpa Cottrell's house in West Virginia. My memories of her are of kindness and caring of me who was several years younger. I have such fond memories of our time we spent together. My love and prayers to the family, especially Aunt Zona who has been through so much. I love you all.
